### EMS Reports (Medical Service Rendered)

- Written letter of request for record or the completed form provided by the Department.
- Patient - requires photo identification.
- Parent may pick up a report with birth certificate (of child) and picture ID (of parent.)
- If deceased, a death certificate and proof of executor of the estate is required.
- A medical release is required if an insurance company or attorney is requesting a report.

### Fire Reports (No Medical Services Rendered)

- Written letter of request for record or the completed form provided by the Department.
- Fire reports are public record, and anyone can request fire reports *with the exception of an associated casualty report – this is subject to the same criteria as an EMS report or a fire report that is involved in a criminal investigation.*

### Any of the following information is needed to process a request:

- Address/Location of Incident
- Date of incident
- Incident number
- Name of Person
- Time of Incident
